

Tubular Padding Bandage

Flexible padding for any body contour

The tg soft Tubular Padding Bandage, from Lohmann & Rauscher, supplies a secure and quick padding solution for large and small casts. The high-stretch tubular bandage is very easy to apply and its flexibility allows it to conform to any body contour.

The tg soft is available in three sizes:

- S (for forearm, child's arm, child's leg)
- M (for lower leg, arm)
- L (for leg)
